

# Counting Around the House

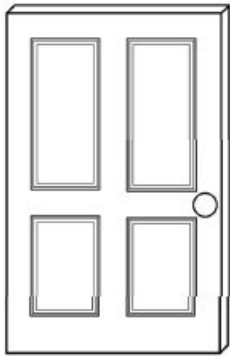

You can do this in just one room or you can do the whole HOUSE!

A great way to get the kids up and moving around.

# Counting Around the

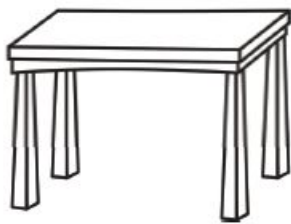

Walk around your house and count each of the items listed. Write the number in the squares.

doors

windows

tables

beds

mirrors

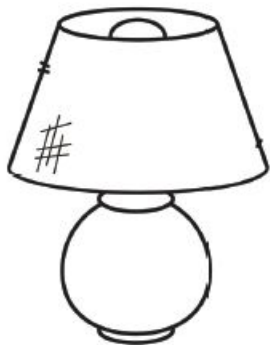

sinks

# Counting Around the

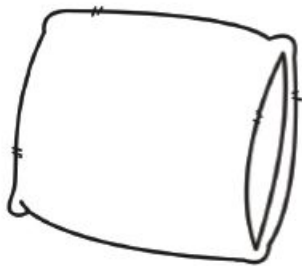

Walk around your house and count each of the items listed. Write the number in the squares.

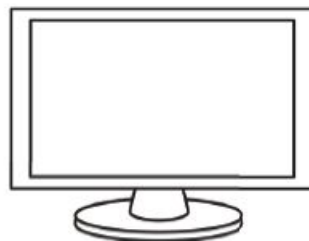

lamps

chairs

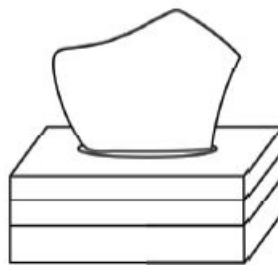

pillows

televisions

trash cans

boxes of tissues
