The Rainbow Preschool

Items Needed For Everyday of School

1. A Lunch Box with a healthy snack and water bottle
   - Please label lunch box and water bottle with child's name.
   - An ice pack will be needed if there will be any snacks that need to be kept cool.
   - We suggest that you do not pack juice boxes. We really would appreciate it if you could keep it just to a water bottle - we have a water cooler at school to refill bottles.
2. A ziploc bag full of extra clothing - can be kept in cubby
   - 2 pairs of underwear, pair of shorts/pants, a shirt and a pair of socks
   - This bag of clothing should be changed with the water and needs to replenished when necessary.

EXTRA ITEMS NEEDED FOR FULL DAY STUDENTS

1. **A Healthy Lunch**

2. **A Rest Time Blanket or Sleeping Bag (the school provides the rest mat which will be the child's all year long).**
   - **A rest time buddy, like a stuffed animal can be brought in and kept at school.**
