## Items Needed Everyday

### Half Day Students

1. A mask – the students do not have to wear a mask all day but, we do ask that they wear one when entering the school, exiting the school and when walking through the hallway.
2. A lunch box with a healthy snack
3. A refillable water bottle
  - Please label lunch box and water bottle with child's name
  - an ice pack will be needed if there will be any snacks that need to be kept cool.
  - ~~This year we suggest that you do not pack juice boxes.~~ The easiest thing for your child is to have a water bottle that they can use on their own. We do have a water cooler at school which is used to refill water bottles throughout the day.
4. A labeled ziploc bag full of extra clothing – will be kept in child's cubby.
  - 2 pairs of underwear, a pair of shorts or pants, a shirt and a pair of socks
    - this bag of clothing should change with the seasons and needs to be replenished when necessary.
  - An extra mask

### Full Day Students and Aftercare Students

Along with everything above you also need:

5. A healthy lunch
6. Pack an extra snack for Aftercare, just incase
7. A rest time blanket (the school provides a rest mat that will be your child's all year long.
  - A stuffed animal can be brought in and kept with rest time stuff.
  - We will be sending home rest time blankets and stuffed animals more frequently this year in order to keep everything well cleaned and safe for the students.
    - Blankets and stuffed animals will be kept in a plastic bag when not in use.
