

Newsletter Part 2

October 16th 2015

This week we also started on our **Letter Ff** for our end of the year Alphabet Book. Each child created a fireman using an uppercase F. The students had to glue on boots, a fire helmet, a fire hose and a fire! while

doing this project we talked about fire safety, what to do if there was a fire, what number to call

9-1-1 and how to **STOP, DROP & ROLL** if our clothes were on fire. We also learned how to feel a door incase there is a fire on the other side (Cowan is practicing in the picture to the right). **We have been practicing fire drills all week with the students! we will continue doing at least one a month throughout the school year.**

During circle time this week we played a game where the children got to take turns

being a **fireman!** The object of the game was to squirt out the **flames** (made of construction paper) on the letter **Ff** or a picture of something that started with the letter **Ff**.

Friday was PICTURE DAY! we took class pictures and individual pictures! what a great job all of the students did!

Thank you parents for being so patient :)

Here just a few more picture we could not pass up on sharing!
